### **CURTISS-WRIGHT TO EXHIBIT AT THE ANNUAL SEA-AIR-SPACE EXPOSITION**

*Sponsored by the Navy League of the United States*

**CHESWICK, PA – APRIL 6, 2018** – Curtiss-Wright will be exhibiting at the Navy League Sea-Air-Space Exposition on April 9-11, 2018 at the Gaylord National Resort and Convention Center in National Harbor, Maryland. Curtiss-Wright will be located in **Booth #1917**.

The 2018 Sea-Air-Space Exposition is key for Curtiss-Wright because it will be the Company's first appearance at a Navy-oriented event since the acquisition of the Dresser-Rand Government Business (Dresser-Rand) from Siemens AG. Dresser-Rand is a leading designer, manufacturer and servicer of mission-critical, high-speed rotating equipment solutions, including reciprocating compressors, steam turbines and steam system valves, supporting Nimitz-class and Ford-class aircraft carriers, Virginia-class and Columbia-class submarines, and most major U.S. Navy shipbuilding programs. The acquisition will allow Curtiss-Wright to better serve its customers in the defense market, particularly the U.S. Navy.

Featuring over 275 interactive exhibits detailing the latest technologies in the maritime, defense, and energy industries, Sea-Air-Space is the largest maritime exposition in the U.S, bringing together the U.S. defense industrial base, private-sector U.S. companies, and key military leaders. Visit the Sea, Air, & Space website to learn more or to resister to attend:
